

# L. E. T. O. A.

**2025 Annual Training Conference Registration**  
**April 9-10, 2025 – Neenah, Wisconsin**

**Location: Neenah Police Department Training Center**  
**2111 Marathon Ave, Neenah, WI 54956**

## 2025 Conference Agenda

***Wednesday, April 9, 2025***

### **Protecting the Guardian – Nick Greco**

Nick presents on a variety of topics in the officer wellness realm. This block will focus on one of his specialties.

### **Traffic Incident Management – Mike Jungbluth**

Mike will do a brief presentation on traffic incident management, covering some updates and upcoming full courses that are sure to keep officers safe on the highways and roadways.

### **Mt Horeb School Shooting Incident – Chief Doug Vierck**

On May 1, 2024, officers in Mt Horeb encountered a 17- year old holding a rifle, trying to get into the middle school. Officers ordered the male to drop the weapon, but he did not comply. The officers neutralized the threat before the male could get into the school or hurt anyone. This break down will focus on the initial response, incident command, reunification, collaboration/teamwork, and lessons learned.

***Thursday, April 10, 2025***

### **Firearms (live range) – Eric Hartwig**

Eric from Training and Standards will present a live fire course focused on MRDS skills. This will be beyond the basic red-dot instructor or user course you may have already taken. You will need your duty belt, firearm, and three magazines, along with your body armor. Those interested in this class will be updated on required ammo.

### **Subject Control – Amir Khillah**

Amir has been to our conference before, and was popular enough to be asked back! Amir is a former UFC/Bellator fighter, and currently a sergeant with the Richland Police Department (Michigan). His class will focus on upping your defensive tactics with close quarter skills. Wear something comfortable for this class.

### **Human Trafficking – Wisconsin DOJ**

Presented by a staff member from the Wisconsin Department of Justice, you will learn the latest trends in human trafficking and how real it actually is.

# More to be scheduled!!
